Harold;

Have just finished reading Gerold Frank's "an American Death". Would like your comments!

Of course you can have mine. This is an 28-day book so I will go thru it again taking notes.

Ask your "vibes" on connection JFK–King ass'ns. This is something Jim pursuing hard.

Can't see how RFK–Sirhan relates. Does it? Looks like Religion job; not the standard politics/race handling. (?)

any sign James Earl will ever open up?

please keep in touch!

Yours Jim
